

Backgrounder

The Community Health Center of the New River Valley is a comprehensive healthcare center providing family medical care, dental care and behavioral healthcare. We serve individuals including those with Medicare, Medicaid, and with or without private insurance coverage. Regardless of insurance status, we offer a sliding fee scale based on household size and income.

No one is denied services due to an inability to pay.

In addition to our Christiansburg location, the Community Health Center provides services through our Giles Center in Pearisburg and Radford/Pulaski Center in Dublin.

For more information about us, please visit our website at www.CHCNRV.org.
